

BRINSON COMMITTEE

Submitted 10/31/17

Charge will be reviewed and revised as necessary by committee no later than Oct. 31 each year.

The Brinson Committee is in charge of selecting a speaker for the Brinson Lectures in the upcoming year. The Brinson Lecture is a public lecture, so far always given in the School of the Art Institute of Chicago (SAIC) ballroom. The person selected should be a very good public speaker, able to talk to non-scientists about their research. The lectures are widely advertised so name recognition is a plus.
